Bordeaux 2005: a Landmark Vintage

"Tasting the 2005 red wines from the bottle, many of them three or four times, confirmed that this is the greatest vintage produced during my 30-year career."

—Robert Parker Jr., *Wine Advocate*, April 2008

Program closed

Recognizing the greatness of the vintage, our VINTAGES buyers secured deeper inventories of the 2005s than of any vintage previous, with a generous slate of classed growths as well as value-priced wines. Following significant customer response to our 2005 Bordeaux Futures program, many products have sold out and many others are down to only a few remaining bottles.

For the first time ever after a Futures campaign, we've collected these Bordeaux as an online offer: a one-stop, first-in-line shopping opportunity. This is likely the last chance to order these products before the final bottles are sold—shop early for best selection.

VINTAGES is pleased to offer a lineup of great wines from Bordeaux's much-heralded 2005 vintage, including iconic names and rare finds. Whether you're a serious collector or simply looking to try a wine from one of the most exceptional vintages of all time, this opportunity is not to be missed.
