Bordeaux 2005 First-In-Line Offer

"Tasting the 2005 red wines from the bottle, many of them three or four times, confirmed that this is the greatest vintage produced during my 30-year career."

—Robert Parker Jr., *Wine Advocate*, April 2008

Program closed

Recognizing the greatness of the vintage, our VINTAGES buyers secured deeper inventories of the 2005s than of any vintage previous, with a generous slate of classed growths as well as value-priced wines. Following significant customer response, many products have sold out and many others are down to only a few remaining bottles.

For the first time ever after a Futures campaign, we've collected these Bordeaux as an online offer: a one-stop, first-in-line shopping opportunity.

VINTAGES is pleased to offer a lineup of great wines from Bordeaux's much-heralded 2005 vintage, including iconic names and rare finds. Whether you're a serious collector or simply looking to try a wine from one of the most exceptional vintages of all time, this opportunity is not to be missed.

New Arrivals: Bordeaux 2005 First-In-Line Offer Second Installment

Our new assortment of 2005s marks the second phase of this monumental offer. It includes all-new selections, plus an additional opportunity to stock up on some wines that sold out from the original First-In-Line installment.

These wines comprise the second in a series of non-futures Bordeaux 2005 direct-to-customer offers. This represents the first (and quite possibly also the final) time ever that many of these wines are available for purchase in this market.

This is likely the last chance to order these remarkable wines—shop early for best selection.
