Château Palmer's style is beyond fashion and trends. To experience its timelessness, there is no better way than to taste it.

This famed estate deftly reflects the classic Margaux characteristics and attributes: the femininity and finesse, the wondrously silky tannins and the complexity that develops with age. Its status as a Third Growth does not do justice to the wines, especially the vintages of the last four decades. Palmer devotees may recall that it was the immortal 1961 vintage that inspired the term 'super-Second'.

VINTAGES is pleased to offer you access to this collection of wines direct from the famous Mahler Besse cellars. Add to your collection vintages from 1945 to 2004, including 750 and 1500 mL formats. Order today.
