## Ultra-Rare New World Wines: Hundred Acre, Snowden & Blankiet Exclusive Offer

These rising-star New World estates craft highly-rated wines in extremely limited quantities, normally obtainable only by adding your name to a waiting list. VINTAGES is pleased to offer exclusive access to these rare and impressive wines.

### Hundred Acre

Hundred Acre's wines are so immensely popular – demand outstripping production several times over – that talented young vintner Jayson Woodbridge's waiting list grows longer every year. Here's a chance to add these Napa- and Barossa-grown gems to your cellar.

### Snowden Vineyards

This is the estate that Robert Parker, in December 2008, called "an awakening giant". Snowden's limited-production wines have caught on like wildfire with the cognoscenti, and these days, finding an unclaimed bottle could be likened to a bigfoot sighting.

### Blankiet Estate

Teamed with world-renowned oenologist Michel Rolland, Blankiet is focused with laser-precision on quality. The 2006 vintage marks their move to crafting just a single wine each year (a blend), making the '05 Cabernet on offer here a piece of history.

These sought-after wines are sure to go fast. Order today!
