

Ontario Somewhereness

PDF Version

Great wines speak of their place of origin. For generations this concept has been at the heart of the best winemaking across the globe; long called 'terroir' by the French, it is the sum of elusive and often subtle nuances of place that give a wine uniquely expressive character.

Here in Ontario, a group of iconic winemakers passionate about expressing our own local terroir have united under the banner of Somewhereness and VINTAGES is proud to offer their wines here.
